

Staff a Craft

General Canby Day is introducing a free program called *Staff a Craft*.

Staff a Craft is an opportunity for businesses to promote themselves to 15 -20 thousand people on the 4th of July. Your staff will oversee kids assembling a free craft project while promoting your business at General Canby Day, from 10am-5:30pm. We will provide the craft supplies, tent, table and your business will provide the staff. Hourly scheduling is at your discretion.

Your staff gives out your promotional items when the craft project is completed. Also, staff can chat with the parents while the child makes the craft.

You can identify your area with a banner (36" X 24" or less) and/or a table plaque (8 ½" X 11" or less). If you do not already have these items, General Canby Day can make a one color banner for \$20.00.

Register your business by June 1, 2010 at www.generalcanbyday.org.

For more information call Lila at Action Acres (503) 266-5733.
